11 March 2019

**SUPPLEMENTAL / BID BULLETIN**

**Addendum No. 2018-029-01**

**Subject: Supply, Delivery, Installation, Testing and Commissioning of 2MVA, 3Phase, 60Hz, Delta-Wye Compartmentalized Pad mounted transformer, First Private Pole (FPP) and Primary Hardware from FPP to Transformer”; (Reference: PR No. 2018-09-0691; ABC Php8,700,000.00)**

This Bid Bulletin is being issued to all prospective bidders to clarify, amend and/or modify certain provisions in the Terms of Reference (TOR) and to answer the written clarificatory questions submitted by prospective bidders, to wit:

**A. Query from SUPERSERVE CORPORATION**

<b>QUESTION/s</b>	<b>PAGASA-BAC ANSWERS</b>
Referring to III – Qualification of Bidder 1. States that “Bidder must have at least five (5) years of experience in the installation of 2MVA, 3 phase, 400/230V secondary or higher rating of a compartmentalized pad mounted transformer and 50ft First Private Pole (FPP). Bidder should submit proof of completed/awarded contract similar scope”  <b>QUERY #1</b> - Can you consider an experience in “Electrical construction works related in powerhouse/substation and/or electrical feeders/distribution line” since this is already your definition of Single Largest Completed Contract (SLCC) similar to the project.	Yes, we can consider your experience in “Electrical construction works related in powerhouse/substation and/or electrical feeders/distribution line” as the same as the experienced required in a bidder’s qualification.
2. States that bidder must submit proof of ISO 9001-2015 certification.	Yes, we will allow even one partner as ISO 9001-2015 certified in a Joint Venture. Provided that the ISO certificate must be submitted as proof.

*“tracking the sky...helping the country”*

<b>QUERY #2</b> – In case of joint venture; will one partner who is ISO 9001-2015 certified sufficient to qualify?	
--	--

**B. Query from DANITECH POWER SYSTEM, INC.**

<b>QUESTION/s</b>	<b>PAGASA-BAC ANSWERS</b>
Reference: TOR III Item No. 6 Concern: ISO 9001:2015  Query No.1: Will this be provided by the manufacturer since contractor is a licensee of PCAB.	Yes, we will allow either one, Manufacturer or Contractor, should be ISO Certified. Provided that ISO Certificate must be submitted as proof.
Reference: TOR VIII Concern: Factory Test  Query No.2: Factory test refers to Factory Acceptance Test to be conducted to the manufacturer plant (Country of Origin). For how many persons for FAT?	The Factory Acceptance Test that we refer is only from the local factory plant. However, if it will come from other countries the FAT shall be conducted in the warehouse or any storage room or plant of the supplier before delivery. The tests shall consist as enumerated in the TOR under Item VIII Factory Testing.
Reference: TOR VIII Concern: Factory Test  Query No.3: Our bid price will include for the 5 years' maintenance of the project? Please specify frequency and scope of periodic maintenance.	Yes, the bid price shall include price for the 5 years' maintenance.  Annual maintenance shall be conducted and the scope shall cover whatever are the standard maintenance works for maintaining such facilities.

This shall form an integral part of the Bid Documents.

For information and guidance of all participating bidders.
