SUPPLEMENTAL / BID BULLETIN

Addendum No. 2018-010-01

Subject: “Straight Lease for PAGASA IP PBX with Two (2) Integrated Services Digital Network (ISDN) Primary Rate Interface (PRI) – Carrier Grade (Re-bid)”; ABC Php16,174,949.03 / PR# 2018-04-0262

This Bid Bulletin is being issued to all prospective bidders to answer official queries submitted in writing by prospective bidders for the above-cited project.

Queries of PLDT	PAGASA-BAC Response
<p>1. Secretary’s Certificate – based on the TOR, we need to use the prescribed bidding forms, however, as per our Atty. Mabasa: “The Board approved signing authorities (based on rank/function of executives and officers). Thus, we issue the Sec. Cert. on this basis. Considering our national and even international operation, we don’t request a Board resolution for every project that we bid.” May we ask if we can use our own format, and attach an Undertaking (refer to attachment).</p>	<p>Yes, the PAGASA-BAC is allowing your company to use your own format of Secretary’s Certificate, provided, you will attach the Undertaking.</p>
<p>2. Credit Line Certificate (CLC) – Please be informed that we only provide Notarized CLC and not Machine Validation. May we ask if this will suffice. Otherwise, we will submit NFCC.</p>	<p>A Credit Line Certificate that is only Notarized is not suffice for you to submit. It is considered valid if it is machine validated and duly notarized. A Net Financial Contracting Capacity (NFCC) is another option for you to submit, however, our prescribed form should be used as provided in our bidding documents.</p>
<p>3. Manufacturer’s Authorization Form of Duly Authenticated Certification of Sole/Exclusive Distributorship – Kindly ask with BAC if we can submit using Avaya’s template.</p>	<p>Yes, the PAGASA-BAC is allowing your company to use the letterhead of Avaya only but you should use and submit our prescribed Manufacturer’s Authorization Form. As stated in our form “This letter of authority should be on the letterhead of the Manufacturer and should be signed by a person competent and having the special power of attorney to bind the Manufacturer. It should be included by the Bidder in its Bid.”</p>

This shall form an integral part of the Bid Documents.

For information and guidance of all participating bidders.
