Queries of MICRODATA	PAGASA-BAC Response
<p>1. For the completed project which is to be included in the Statement of Completed government and private which is similar in nature and SLCC, can we request that Contracts with AV or Audio Visual system be considered as similar? Since most of the items included includes Audio Visual items as a general. This is to the 50% amount of the ABC which is Php 7,520,160.00.</p>	<p>Yes, contracts with AV or Audio Visual system can be considered as similar project</p>
<p>2. For the Manufacturer Authorization Form:</p> <p>2.a Can we request for the submittal of the Manufacturer Authorization form for main components included in the bid? Like projector, fisheye lens, switcher, speakers, power amplifier, digital audio processor, etc.</p> <p>2.b As mentioned during the pre-bid conference, some of the items are not directly purchase from the Manufacturer because some are purchase from authorized distributor here in the Phil., for this reason can we use a generic/standard format issued by the Manufacturers authorizing our supplier as distributor and use the format of Manufacturer Authorization provided in the bidding documents and we will just reword the terms from manufacturer to authorized distributor? Or can we request instead a Dealer/Distributor Authorization Form? Since we do not have direct access to Manufacturers, as per our distributor supplier, it will take an estimate of 30-60 days before they can issue the provided format for PAGASA. Otherwise, ca we just request that the said for be submitted as part of post-qualification documents?</p>	<p>Yes, you can submit Manufacturer Authorization Form for main components.</p> <p>Our prescribed form for Manufacturer's Authorization Form should be used and submitted and be reminded the note stated in our form.</p> <p>In addition, you may submit the Certification of Distributorship.</p>

3. We also notice that the projected TOR during the Pre-bid Conference is not the same as the TOR uploaded in the PHILGEPS and PAGASA website while the TOR shown/displayed contains 48 items. Can we request for a copy of the right TOR?.	A copy of the TOR with 48 items will be provided through email as soon as possible.
